

Understanding and Implementing Internal Control with Committee of Sponsoring Organizations of the Treadway Commission (COSO)

Program Description

Committee of Sponsoring Organizations of the Treadway Commission (COSO) Internal Control – Integrated Framework (IC-IF) is the widely used internal framework deployed in a number of countries across the globe. It examines how a principles-based approach is utilized to design, implement, and evaluate a system of internal controls. In addition to that, this course discusses the updated Framework implications and presented it to internal auditor as well as individual internal audit activities. Furthermore the training is also aimed to identify opportunities for utilizing the updated Framework for internal audit process and increase value of the assurance and consulting services.
