

Letter of Credit and International Trade

Krisis ekonomi dunia sangat berdampak terhadap kinerja bisnis ekspor impor di Indonesia. Perusahaan-perusahaan yang terlibat dalam bisnis ekspor impor juga merasakan makin ketatnya dan mahalnya pembiayaan ekspor impor dari perbankan di Indonesia. Oleh karena itu diperlukan pemahaman yang dalam dan menyeluruh mengenai international trade dan peraturan-peraturan dari pihak-pihak pendukung seperti bank, shipping company, asuransi, ICC (International Chamber of Commerce), agar bisnis tetap dapat berkembang sesuai dengan target yang sudah ditetapkan.

Pelatihan akan diberikan secara efektif dengan membahas kasus-kasus yang terjadi baik di tanah air maupun di dunia internasional
